SUBJECT INDEX

ACHALASIA
Achalasia in central Israel, 1973–83: clinical aspects **880**

ACYCLOVIR
See Perinatal and Childhood Infections (Special Issue) **398**

ADRENALS
Modulation of fetal and placental metabolic pathways in response to maternal thyroid and glucocorticoid hormone excess **32**

AIDS/HIV
AIDS-related Kaposi's sarcoma: a review [Review Article] **298**
Attitude and knowledge of high school pupils in Holon (Israel) towards AIDS **699**
Coinfection with hepatitis viruses and human immunodeficiency virus in multiply transfused patients **886**
HIV-2 infection in Israel: a new epidemic? **895**

ALSTROM SYNDROME
The Alstrom syndrome: a new variant? **234**

ALZHEIMER'S DISEASE
Alzheimer's disease and the apolipoprotein in Eε4 allele [Review Article] **545**

ANAPHYLAXIS
Anaphylactic reaction to oral diclofenac sodium sustained-release tablets **909**

ANEMIA
Immune hemolytic anemia, thrombocytopenia and liver disease in a patient with DiGeorge syndrome **530**
Autoimmune hemolytic anemia preceding chronic active hepatitis [Letter] **551**
Autoimmune phenomena in DiGeorge syndrome [Letter] **853**

ANOREXIA NERVOSA
See Perinatal and Childhood Infections (Special Issue) **581**

ANTIPHOSPHOLIPID SYNDROME
The significance of experimental models of systemic lupus erythematosus and antiphospholipid syndrome induced by idiotypic manipulation **10**
See 7th Autoimmunity Meeting Suppl **19**

APACHE II
Evaluation of the APACHE II scoring system in an Israeli intensive care unit **514**
Prognostic scores in the ICU — do they tell us things we don't know? [Editorial] **541**
Use of the APACHE II severity score in an Israeli GICU [Letter] **851**

APPOINTMENTS
New Israeli Health Minister [Jerusalem Dateline] **735**

APOLIPOPROTEIN
Alzheimer's disease and the apolipoprotein in Eε4 allele [Review Article] **545**

ARTHRITIS
Dead Sea treatment for psoriatic arthritis [Jerusalem Dateline] **213**
Dead Sea treatment of psoriasis and psoriatic arthritis [Jerusalem Dateline] **735**
Spa treatment for arthritis at the Dead Sea area [Editorial] **919**

ASCITES
Circulatory disturbance and renal dysfunction in liver disease and in obstructive jaundice **48**

ASTHMA
Absence of asthma in patients with familial Mediterranean fever **237**
See Advances in Pediatric Care (Special Issue) **564, 572**

ATHEROGENESIS
Diurnal changes in plasma lipoproteins of free-living healthy men consuming a standard diet **83**

AUTOIMMUNITY
The significance of experimental models of systemic lupus erythematosus and antiphospholipid syndrome induced by idiotypic manipulation **10**
Immune hemolytic anemia, thrombocytopenia and liver disease in a patient with DiGeorge syndrome **530**
Autoimmune phenomena in DiGeorge syndrome [Letter] **853**

SEVENTH AUTOIMMUNITY MEETING — TERRY F. DAVIES DAY
Human autoimmune thyroid disease — newer views on a common breakdown in T cell tolerance Suppl **2**

Idiotypic induction of autoimmunity: a new classification of autoimmune diseases Suppl 11
Autoimmunity and cancer Suppl 15
Antiphospholipid antibody syndrome Suppl 19
The role of beta cell maturity in the development of Type 1 diabetes mellitus Suppl 22
Clinical significance of the anti-endothelial antibodies Suppl 25
Peptide interactions with class I and II MHC encoded molecules Suppl 28
Target antigens in systemic autoimmune diseases Suppl 31
The role of genetic factors in autoimmunity Suppl 34
Autoimmunity shifts paradigms Suppl 37

BACTEREMIA
See Perinatal and Childhood Infections (Special Issue)
See Advances in Pediatric Care (Special Issue) 600

BALNEOTHERAPY
Dead Sea treatment for psoriatic arthritis [Jerusalem Dateline] 213
Dead Sea treatment of psoriasis and psoriatic arthritis [Jerusalem Dateline] 735
Spa treatment for arthritis at the Dead Sea area [Editorial] 919

BEHAVIORAL MEDICINE
Overnight secretion pattern of growth hormone, sex hormone binding globulin, insulin-like growth factor-1 and its binding protein in obese and non-obese women with polycystic ovarian disease 42
Comparative tactile behavior of mothers and fathers with their newborn infants 79

BENIGN TRANSIENT HYPERPHOSPHATASEMIA
Benign transient hyperphosphatasemia 66

BOOK REVIEWS
Changing health and changing culture: the Yemenite Jews in Israel 306
Health promotion research. Towards a new social epidemiology 306
Healing the schism: epidemiology, medicine, and the public's health 307
Health for all targets: the health policy for Europe 308
Nutrition, exercise and sport 309
Pediatric infectious diseases 309
Empathy and the practice of medicine. Beyond pills and the scalpel 729
Doctors and their feelings: a pharmacology of medical caring 730
Clinical endocrinology 731

BOTULINUM TOXIN
Interventional neurology: botulinum toxin as a potent symptomatic treatment in neurology 816

BOTULISM
Infant botulism — an underdiagnosed entity? 533

BREASTFEEDING
Weizmann Institute supports value of breastfeeding — crucial brain hormone found to be produced by lactating breast [Jerusalem Dateline] 736

BUDENOSIDE
See Advances in Pediatric Care (Special Issue) 572

CALCIUM
The molecular basis of secondary hyperparathyroidism in chronic renal failure 26
Cardiovascular effects of nisoldipine in essential hypertension 139
Nisoldipine — is there a positive inotropic effect? [Editorial] 158
Intracellular zinc in primary hyperparathyroidism: a preliminary report 706

CANCER
Inoculation of BCL1 lymphoma cells into CSJL/J F1 mice inhibits acute experimental autoimmune encephalomyelitis 1
Biased representation of immunoglobulin heavy chain variable region subgroups in chronic lymphocytic leukemia 7
Taxol: initial Israeli experience with a novel anti-cancer agent 70
The yield of bone scintigraphy in cancer and non-cancer patients: its association with indication and clarity of the referral question 146
Intracranial tuberculoma: clinical and computerized tomographic findings 153
Fatal fulminant hepatitis from cyproterone acetate 238
See 7th Autoimmunity Meeting Suppl 15
AIDS-related Kaposi's sarcoma: a review [Review Article] 298
A comparative study of radioligand (DCC) and modified immunoperoxidase anti-estrogen receptor techniques in breast carcinoma 506
See Advances in Pediatric Care (Special Issue) 634, 639
Cancer and hypocholesterolemia [Review Article] 787
Total proctocolectomy, pancreaticoduodenectomy and total gastrectomy for multiple carcinomas in a patient with familial adenomatous polyposis 830
Bacterial lymphadenitis complicating chronic lymphatic leukemia 835
Symptomatic heterotopic pancreas of the stomach 838
Sequence analysis of the new human T cell leukemia/lymphoma viruses isolate (HTLV-1) in Israel 891
Inflammatory myopathy — early diagnosis and management by serum myosin light chain measurements 902

Myositis diagnosis — the importance of serology [Editorial] **917**

CAPTOPRIL
One-year clinical and echocardiographic follow-up of patients with congestive cardiomyopathy treated with captopril compared to placebo **90**
Effects of captopril and hydralazine on progression of adriamycin nephropathy in spontaneously hypertensive rats **742**

CARBAMAZEPINE
Psoriasiform eruption induced by anticonvulsants **283**

CARDIOPULMONARY RESUSCITATION
Do not resuscitate — decision making [Review Article] **720**

CEFTRIAXONE
See Advances in Pediatric Care (Special Issue) **649**

CEFUROXIME
Cefuroxime efficacy in pneumonia: sequential short-course IV/oral suspension therapy **684**

CELIAC DISEASE
"Early" vs. "late" diagnosis of celiac disease in two ethnic groups living in the same geographic area **271**
Factors affecting the clinical presentation and time of diagnosis of celiac disease: the Jerusalem and West Bank–Gaza experience [Editorial] **294**
See Advances in Pediatric Care (Special Issue) **656**

CHLAMYDIA
See Perinatal and Childhood Infections (Special Issue) **341**

CHOLESTEROL
New mechanisms in cholesterol gallstone disease [Review Article] **168**
Presence of hormone-sensitive lipase and mRNA in J774 macrophages **778**
Cancer and hypocholesterolemia [Review Article] **787**

CHONDROPROTECTION
Osteoarthritis and chondroprotection [Review Article] **928**

COLLABORATIONS
Peace process spurs Israeli–Palestinian cooperation in health [Jerusalem Dateline] **212**
3rd International Conference on lipid mediators in health and disease [Jerusalem Dateline] **212**
China–Israel exchange program brings surgeons to Hadassah [Jerusalem Dateline] **212**
Israel expands its infrastructure for genome research [Jerusalem Dateline] **557**

COXSACKIEVIRUS

CYPROTERONE ACETATE
Fatal fulminant hepatitis from cyproterone acetate **238**

CYTOMEGALOVIRUS
Rapid method for detection of cytomegalovirus in shell vials cell culture compared with conventional tubes cell culture and detection of IgM antibodies **833**

D-PENICILLAMINE
See Advances in Pediatric Care (Special Issue) **667**

DEAFNESS
See Advances in Pediatric Care (Special Issue) **587**

DEFEROXAMINE
See Advances in Pediatric Care (Special Issue) **658**
Control of malaria by drug-mediated iron deprivation [Review Article] **840**

DEPRESSION
Depression — is serotonin the main culprit? [Editorial] **160**
Serotonergic mechanisms in depression: clinical insights and biological correlates [Review Article] **162**

DERMATOGRAPHY
Dermatography — a new discipline with a wide range of applications **897**

DEXAMETHASONE
See Perinatal and Childhood Infections (Special Issue) **408**

DIABETES
The Alstrom syndrome: a new variant? **234**
See 7th Autoimmunity Meeting Suppl **22**
High short-term mortality of diabetic patients entering dialysis **528**
Diabetes and dialysis [Editorial] **543**
See Advances in Pediatric Care (Special Issue) **585**
Effects of dietary sucrose option on the diabetic syndrome of the eSS rat **761**
Moderate exercise improves glucose metabolism in uncontrolled elderly patients with non-insulin-dependent diabetes mellitus **766**

Incidence of diabetes mellitus in various population groups in Israel (1989 and 1990) **770**
Prolonged response to glibenclamide in NIDDM patients in a normoglycemic state **775**

DIAGNOSIS
See Perinatal and Childhood Infections (Special Issue) **414, 421, 430, 441, 443, 448, 450**
See Advances in Pediatric Care (Special Issue) **629**
Prenatal diagnosis of fetal chromosomal anomalies: current opinion on amniocentesis versus chorionic villus sampling [Editorial] **714**
Transvaginal Doppler sonography for detecting ectopic pregnancy: is it really necessary? **820**
Rapid method for detection of cytomegalovirus in shell vials cell culture compared with conventional tubes cell culture and detection of IgM antibodies **833**
Food allergy in infants and children: clinical evaluation and management **873**
Testing for food allergy — who, when and how [Editorial] **915**
Inflammatory myopathy — early diagnosis and management by serum myosin light chain measurements **902**
Myositis diagnosis — the importance of serology [Editorial] **917**

DIALYSIS
High short-term mortality of diabetic patients entering dialysis **528**
Diabetes and dialysis [Editorial] **543**

DIARRHEA
A monotype of human rotavirus serotype 1 involved in a diarrhea outbreak in a pediatric ward **240**
See Perinatal and Childhood Infections (Special Issue) **335, 356, 387**

DICLOFENAC
Anaphylactic reaction to oral diclofenac sodium sustained-release tablets **909**

DIGEORGE SYNDROME
Immune hemolytic anemia, thrombocytopenia and liver disease in a patient with DiGeorge syndrome **530**
Autoimmune phenomena in DiGeorge syndrome [Letter] **853**

DIPTHERIA
See Advances in Pediatric Care (Special Issue) **600**

DOPAMINE
Effect of morphine on keybrain addiction mechanism determined [Jerusalem Dateline] **557**

DOPPLER
One-year clinical and echocardiographic follow-up of patients with congestive cardiomyopathy treated with captopril compared to placebo **90**
Transvaginal Doppler sonography for detecting ectopic pregnancy: is it really necessary? **820**

DOWN SYNDROME
See Advances in Pediatric Care (Special Issue) **629**

ELECTROMAGNETISM
Influence of electromagnetism on genes and associated structutres [Special Article] **245**

EMERGENCY MEDICINE
See Advances in Pediatric Care (Special Issue) **651**

ENCEPHALITIS

Immune hemolytic anemia, thrombocytopenia and liver disease in a patient with DiGeorge syndrome **530**
Autoimmune hemolytic anemia preceding chronic active hepatitis [Letter] **551**
Coinfection with hepatitis viruses and human immunodeficiency virus in multiply transfused patients **886**

LYME BORRELIOSIS
Canine Lyme borreliosis in Israel **912**

LYMPHADENITIS
Bacterial lymphadenitis complicating chronic lymphatic leukemia **835**

LYMPHOCYTIC LEUKEMIA
Biased representation of immunoglobulin heavy chain variable region subgroups in chronic lymphocytic leukemia **7**

MAGNETOTHERAPY
Influence of electromagnetism on genes and associated structures [Special Article] **245**

MAIMONIDES
Moses Maimonides was born in 1138, not 1135 CE **553**

MALARIA
The unexpected presence of four malaria vectors in southern Israel **287**
Could there be a recurrence of malaria in Israel? [Editorial] **296**
Congenital malaria in Israel — a case report **289**
Indigenous falciparum malaria in Israel: a case report **537**
Local malaria transmission in Israel [Letters] **853, 854**
Control of malaria by drug-mediated iron deprivation [Review Article] **840**

MATERNAL TRANSMISSION
Congenital malaria in Israel — a case report **289**
Prevalence of some musculoskeletal system disabilities in the Trabzon area **291**
See Perinatal and Childhood Infections (Special Issue) **364, 414**

MEASLES
See Perinatal and Childhood Infections (Special Issue) **469,**
See Advances in Pediatric Care (Special Issue) **592**

MEDICA JUDAICA
The physician's prayer of Jacob Zahalon **208**
Hygiene and regimen of health in the Bible and Talmud **250**
Talmudic aphorisms on diet **314**
Communicable diseases in Biblical lore (See Perinatal and Childhood Infections, Special Issue) **499**
The Plague of David (Special Issue) **500**
The Plague of Ashdod (Special Issue) **501**
Talmudic aphorisms on diet: II **554**

Pediatrics in ancient Jewish sources — the care of the newborn baby (See Advances in Pediatric Care — Special Issue) **670**
Talmudic aphorisms on diet: III What should we drink **732**
Talmudic aphorisms on diet: IV **797**
Talmudic aphorisms on diet: V Fasting — the lightest diet **867**
Talmudic aphorisms on diet: VI Eat regularly **932**

MEDICAL EDUCATION
Changes in the nature of inpatient medical services — impact on medical education and patient care **125**
Overview of research in the medical sciences in Israel: institutions, investigators and funding **801**
Graduating medical residents: will they be ethical, wise, strong, rich and honorable? [Special Article] **846**

MEDICAL RESEARCH
Opening of Felstein Medical Research Center [Jerusalem Dateline] **213**
Overview of research in the medical sciences in Israel: institutions, investigators and funding **801**

MENINGITIS
See Perinatal and Childhood Infections (Special Issue) **339, 351, 408, 455**

METHADONE
Effects of the opioid antagonist naloxone on human natural killer cell activity *in vitro* **679**

MILITARY MEDICINE
An outbreak of foodborne streptococcal throat infection **275**
Foodborne streptococcal throat infection [Letters] **552**
Admissions to a psychiatric hospital during the Persian Gulf War **524**
See Advances in Pediatric Care (Special Issue) **564**

MILWAUKEE SHOULDER
A probable case of Milwaukee shoulder-knee syndrome and fibromyalgia **539**

MOLLUSCUM CONTAGIOSUM
Molluscum contagiosum in a patient with common variable hypogammaglobulinemia **707**

MORPHINE
Effect of morphine on keybrain addiction mechanism determined [Jerusalem Dateline] **557**

MYASTHENIA GRAVIS
Myasthenia gravis and preeclampsia **229**
The association of preeclampsia and myasthenia gravis: double trouble [Editorial] **243**

MYCOBACTERIA
Protection of mice against mycobacterial infection by lymphoid cell vaccination **22**

MYCOPLASMA
See Perinatal and Childhood Infections (Special Issue) **412, 441**

MYOSITIS
Inflammatory myopathy — early diagnosis and management by serum myosin light chain measurements **902**
Myositis diagnosis — the importance of serology [Editorial] **917**

MYOTONIC DYSTOPHY
See Advances in Pediatric Care (Special Issue) **623**

NALOXONE
Effects of the opioid antagonist naloxone on human natural killer cell activity *in vitro* **679**

NEONATOLOGY
Comparative tactile behavior of mothers and fathers with their newborn infants **79**
Effect of surfactant replacement therapy on the outcome of premature infants with respiratory distress syndrome **267**
Congenital malaria in Israel — a case report **289**
See Perinatal and Childhood Infections (Special Issue) **328, 331, 349, 368, 371, 387, 392, 421, 430, 441, 455**
See Advances in Pediatric Care (Special Issue) **646**

NEUROLOGICAL DISORDERS
Effect of morphine on keybrain addiction mechanism determined [Jerusalem Dateline] **557**
Hypereosinophilic syndrome presenting as recurrent benign mononeuritis multiplex **709**
Interventional neurology: botulinum toxin as a potent symptomatic treatment in neurology **816**

NEUTROPENIA
See Advances in Pediatric Care (Special Issue) **649**

NISOLDIPINE
Cardiovascular effects of nisoldipine in essential hypertension **139**
Nisoldipine — is there a positive inotropic effect? [Editorial] **158**
Nisoldipine for hypertension [Letter] **850**

NIZATIDINE
The effect of nizatidine on duodenal ulcer healing and on mucosal inflammatory mediators **751**

NONSTEROIDAL ANTI-INFLAMMATORY DRUGS
Anaphylactic reaction to oral diclofenac sodium sustained-release tablets **909**
Osteoarthritis and chondroprotection [Review Article] **928**

OBITUARY
Jack Gross **871**

OMEPRAZOLE
A multicenter, double-blind, randomized controlled study of omeprazole versus ranitidine in the treatment of duodenal ulcer in Israel **757**
Omeprazole — a potent suppressor of gastric acid secretion: is it better? [Editorial] **784**

ORAL MEDICINE
Oral complications in bone marrow transplantation patients: recent advances **120**

ORGANOPHOSPHATE POISONING
Organophosphate poisoning and necrotizing pancreatitis [Letter] **855**

ORTHOPEDICS
The yield of bone scintigraphy in cancer and non-cancer patients: its association with indication and clarity of the referral question **146**
Bone and joint tuberculosis — a 10-year review **278**
Prevalence of some musculoskeletal system disabilities in the Trabzon area **291**
Osteomalacia in Bedouin women of the Negev **520**
A probable case of Milwaukee shoulder-knee syndrome and fibromyalgia **539**
See Advances in Pediatric Care (Special Issue) **577**
Osteoarthritis and chondroprotection [Review Article] **928**

OSTEOMALACIA
Osteomalacia in Bedouin women of the Negev **520**

OSTEOMYELITIS
See Perinatal and Childhood Infections (Special Issue) **401**

PANCREATITIS
Organophosphate poisoning and necrotizing pancreatitis [Letter] **855**

PAPILLOMAVIRUS
See Perinatal and Childhood Infections (Special Issue) **383, 443**

PARALYSIS
Infant botulism — an underdiagnosed entity? **533**

PEDIATRICS
ADVANCES IN PEDIATRIC CARE — CHILDREN'S MEDICAL CENTER OF ISRAEL (SPECIAL ISSUE)
Preface: The Children's Medical Center of Israel and future of pediatric medicine **559**
Longitudinal study on the prevalence of asthma among Israeli young adults **564**
T cells number and function in young asthmatic children during 2 years treatment with inhaled budesonide **572**
The pattern of bone disease in transfusion-dependent thalassemia major patients **577**
Stunting of growth in anorexia nervosa during the prepubertal and pubertal period **581**
Nonketotic hyperosmolar coma in children **585**
Hearing impairment in idiopathic hypoparathyroidism and pseudohypoparathyroidism **587**
Gh and GHBP activity and not IGF-1 and its receptor activity express growth velocity reduction during treatment of central precocious puberty by a super-active GNRH analogue **592**
Measles immunity in Israeli young adults: effects of second immunization at 18 years of age **596**
The immune response to booster vaccination against diphtheria toxin at age 18–21 years **600**
The effect of shiga toxin and sonicates of *Shigella* isolates from children with neurologic manifestation on neuroblastoma cell lines **604**
Childhood bacteremia in Israel: causes, age relation, predisposing factors and source **610**
Evaluation of a rapid test to detect *Streptococcus* Group A **617**
Group a beta-hemolytic streptococcal pharyngitis in children younger than 5 years **619**
Myotonic dystrophy gene analysis in affected Israeli families 622
Further mapping of the properdin deficiency gene in a Tunisian Jewish family — evidence for genetic homogeneity **626**
Prenatal testing for Down syndrome in the Jewish and non-Jewish populations in Israel **629**
Peripheral blood stem cells as a source for hemopoietic recovery following autologous bone marrow transplantation in childhood malignancy **634**
Genetic alterations involving chromosome Ip in children with neuroblastoma **639**
Total cavopulmonary connection for complicated congenital heart malformations **642**
Continued weight loss in the newborn during the third day of life as an indicator of early weaning **646**
Ambulatory treatment with ceftriaxone in febrile neutropenic children **649**
Pediatric telephone advice: a new medical service in Israel **651**
Celiac disease associated with systemic lupus erythematosus **656**
Long-term intravenous deferoxamine treatment

for noncompliant transfusion-dependent beta-thalassemia patients **658**
Upper gastrointestinal endoscopy in the pediatric patient **664**
D-penicillamine-induced elastosis perforans serpiginosa and localized cutis laxa in a patient with Wilson's disease **667**
Pediatrics in ancient Jewish sources — the care of the newborn baby **670**

PHARYNGITIS
An outbreak of foodborne streptococcal throat infection **275**
Foodborne streptococcal throat infection [Letters] **552**

PHILATELY CORNER
Medical Research in Israel **138**
George Fernand Isidore Widal — Pioneer in serology and cytodiagnostics **211**
Waldemar Mordechai Wolf Haffkine — vaccine developer **249**
Adam Politzer — Founder of modern otology **316**
Infectious diseases in Philately (Special Issue) **502**
Saul Adler — Pioneer of Parasitology in Israel **556**
Medical care of children (Special Issue) **672**
Aaron Klug — A pioneer of crystalographic electron microscopy **734**
Oscar Minkowski — The seminal contributor to the understanding of diabetes **799**
Julius Axelrod, Bernard Katz and Ulf von Ueler — Nobel Prize winners for the discovery of mechanisms of nerve signal transmission **869**

PHOSPHATE
The molecular basis of secondary hyperparathyroidism in chronic renal failure **26**
Benign transient hyperphosphatasemia **66**

PNEUMONIA
Cefuroxime efficacy in pneumonia: sequential short-course IV/oral suspension therapy **684**

POLIOMYELITIS
See Perinatal and Childhood Infections (Special Issue) **489, 498**

POLYCYSTIC OVARIAN DISEASE
Overnight secretion pattern of growth hormone, sex hormone binding globulin, insulin-like growth factor-1 and its binding protein in obese and non-obese women with polycystic ovarian disease **42**

PREGNANCY
Modulation of fetal and placental metabolic pathways in response to maternal thyroid and glucocorticoid hormone excess **32**
Wernicke's encephalopathy in hyperemesis gravidarum: association with abnormal liver function **225**
Myasthenia gravis and preeclampsia **229**
The association of preeclampsia and myasthenia gravis: double trouble [Editorial] **243**
See Pediatric and Childhood Infections (Special Issue) **317, 362, 414, 421, 450**
Prenatal diagnosis of fetal chromosomal anomalies: current opinion on amniocentesis versus chorionic villus sampling [Editorial] **714**
Transvaginal Doppler sonography for detecting ectopic pregnancy: is it really neccesary? **820**
Maternal immune recognition of pregnancy [Review Article] **922**

PROPERDIN DEFICIENCY
See Advances in Pediatric Care (Special Issue) **626**

PROSTAGLANDIN ESTRADIOL
The effect of nizatidine on duodenal ulcer healing and on mucosal inflammatory mediators **751**

PSORIASIS
Dead Sea treatment effective for psoriasis and psoriatic arthritis [Jerusalem Dateline] **213**
Psoriasiform eruption induced by anticonvulsants **283**
Dead Sea treatment of psoriasis and psoriatic arthritis [Jerusalem Dateline] **735**

PUBLIC HEALTH
The CHAD program for the control of cardiovascular risk factors in a Jerusalem community: a 24-year retrospect **108**
See Perinatal and Childhood Infections (Special Issue) **469, 482, 489**
Major revamping of Israel's health system [Jerusalem Dateline] **735**
Israel Center for Disease Control opens at Sheba Hospital [Jerusalem Dateline] **870**

PULMONARY/RESPIRATORY DISORDERS
Surgical management of pulmonary atresia with ventricular septal defect and multiple aortopulmonary collaterals **215**
Effect of surfactant replacement therapy on the outcome of premature infants with respiratory distress syndrome **267**
See Perinatal and Childhood Infections (Special Issue) **403, 441**
Pleural effusion — the presenting radiological manifestation of sarcoidosis **535**
Cefuroxime efficacy in pneumonia: sequential short-course IV/oral suspension therapy **684**
Physiological and neuropsychological effects of theophylline in chronic obstructive pulmonary disease **811**

QUINOLONES
See Perinatal and Childhood Infections (Special Issue) **463**

RADIATION
Prevalence of some musculoskeletal system disabilities in the Trabzon area **291**

RANITIDINE
A multicenter, double-blind, randomized controlled study of omeprazole versus ranitidine in the treatment of duodenal ulcer in Israel **757**
Omeprazole — a potent suppressor of gastric acid secretion: is it better? [Editorial] **784**

ROTAVIRUS
A monotype of human rotavirus serotype 1 involved in a diarrhea outbreak in a pediatric ward **240**
See Perinatal and Childhood Infections (Special Issue) **387**

SARCOIDOSIS
Pleural effusion — the presenting radiological manifestation of sarcoidosis **535**

SCIENTIFIC MEETINGS IN ISRAEL
Annual Meeting of the Israel Heart Society **175**
Annual Meeting of the Israel Society of Fertility **194**
Annual Meeting of the Israel Societies of Parasitology and Protozoology **311**
Semi-Annual Meeting of the Israel Society of Pulmonology **726**
Semi-Annual Meeting of the Israel Society of Pathology **794**
Annual Meeting of the Israel Immunological Society **857**

SEPSIS
See Perinatal and Childhood Infections (Special Issue) **430, 455**

SEROTONIN
Depression — is serotonin the main culprit? [Editorial] **160**
Serotonergic mechanisms in depression: clinical insights and biological correlates [Review Article] **162**

SHEEHAN'S SYNDROME
Clinical and laboratory evaluation of 40 patients with Sheehan's syndrome **826**

SHIGELLA
See Perinatal and Childhood Infections (Special Issue) **495**
See Advances in Pediatric Care (Special Issue) **604**

SINUSITIS
See Perinatal and Childhood Infections (Special Issue) **403**

SLEEP
Learn while you sleep [Jerusalem Dateline] **870**

SODIUM VALPROATE
Psoriasiform eruption induced by anticonvulsants **283**

STAPHYLOCOCCUS
See Perinatal and Childhood Infections (Special Issue) **401**

STREPTOCOCCUS
An outbreak of foodborne streptococcal throat infection **275**
Foodborne streptococcal throat infection [Letters] **552**
See Perinatal and Childhood Infections (Special Issue) **349, 351**
See Advances in Pediatric Care (Special Issue) **617**

SURFACTANT THERAPY
Effect of surfactant replacement therapy on the outcome of premature infants with respiratory distress syndrome **267**

SYSTEMIC LUPUS ERYTHEMATOSUS
The significance of experimental models of systemic lupus erythematosus and antiphospholipid syndrome induced by idiotypic manipulation **10**
See 7th Autoimmunity Meeting Suppl **5, 11, 15, 19, 31, 34**
See Advances in Pediatric Care (Special Issue) **656**

TAXOL
Taxol: initial Israeli experience with a novel anticancer agent **70**

THALESSEMIA
Thalassemia sufferer gives birth at Hadassah in 'world's first' [Jerusalem Dateline] **557**
See Advances in Pediatric Care (Special Issue) **577, 658**

THEOPHYLLINE
Physiological and neuropsychological effects of theophylline in chronic obstructive pulmonary disease **811**

THROMBOLYSIS
Very early thrombolysis in acute myocardial infarction — a light at the end of the tunnel **99**

THYROID
The molecular basis of secondary hyperparathyroidism in chronic renal failure **26**
Modulation of fetal and placental metabolic pathways in response to maternal thyroid and glucocorticoid hormone excess **32**
See 7th Autoimmunity Meeting Suppl **2**

Dissecting aneurysm of the aorta and hypothyroidism **510**
See Advances in Pediatric Care (Special Issue) **585**
Intracellular zinc in primary hyperparathyroidism: a preliminary report **706**
Distinguishing hypothyroxinemia due to euthyroid sick syndrome from pituitary insufficiency **746**

TIME INSENSITIVE PREDICTIVE INSTRUMENT
The risk of developing an acute coronary event as a measure of the quality of triage of patients presenting to the emergency room with chest pain **737**
The patient with chest pain in the emergency room — will the computer resolve the physicians's dilemma? [Editorial] **782**

TOTAL LYMPHOID IRRADIATION
Effect of total lymphoid irradiation on natural killer cells and cytotoxic and primed T lymphocytes **253**

TOXOPLASMA
See Perinatal and Childhood Infections (Special Issue) **362**

TRANSPLANTATION
Oral complications in bone marrow transplantation patients: recent advances **120**
Effect of total lymphoid irradiation on natural killer cells and cytotoxic and primed T lymphocytes **253**
See Advances in Pediatric Care (Special Issue) **634**

TRAVEL MEDICINE
The unexpected presence of four malaria vectors in southern Israel **287**
Congenital malaria in Israel — a case report **289**
Could there be a recurrence of malaria in Israel? [Editorial] **296**
Indigenous falciparum malaria in Israel: a case report **537**
HIV-2 infection in Israel: a new epidemic? **895**

TUBERCULOSIS
Bone and joint tuberculosis — a 10-year review **278**
A 10 year survey on *Mycobacterium tuberculosis* isolates in Israel and their drug resistance **805**
The selective advantage of Gauchers's disease: TB or not TB **911**

UREAPLASMA UREALYTICUM
See Perinatal and Childhood Infections (Special Issue) **441, 450**

VARICELLA
See Perinatal and Childhood Infections (Special Issue) **398, 482**

VITAMINS
The molecular basis of secondary hyperparathyroidism in chronic renal failure **26**
Osteomalacia in Bedouin women of the Negev **520**

WEGENER'S GRANULOMATOSIS
See 7th Autoimmunity Meeting Suppl **25**

WERNICKE'S ENCEPHALOPATHY
Wernicke's encephalopathy in hyperemesis gravidarum: association with abnormal liver function **225**

WILSON'S DISEASE
See Advances in Pediatric Care (Special Issue) **667**

ZINC
Intracellular zinc in primary hyperparathyroidism: a preliminary report **706**
